Welcome

We help our clients achieve their goals.

Globexia Energy Limited is a subsidiary of Globexia Limited, setup to add immense value to the ever growing global energy industry.

We deliver high-grade Energy products—including Gasoil, Gasoline, HFO, VLSFO, LSMGO, LPG, Methanol, Ammonia—to global ports, ensuring timely and reliable supply.

With a commitment to professionalism and long-term partnerships, Globexia offers energy you can count on!

A Little About Us

At Globexia Energy Limited, we are committed to delivering reliable, scalable energy solutions across global markets. From gasoil and gasoline to crude oil, HFO, VLSFO, methanol, ammonia, LPG, and beyond, we ensure consistent supply backed by strong logistics and disciplined execution, enabling our partners to operate with confidence and certainty.

Our mission is to redefine energy supply across Africa and international markets by combining deep regional expertise with world-class standards. We do not just trade products, we build efficient supply chains that connect producers to end-users seamlessly, ensuring quality, speed, and reliability at every stage.

Built on a solid foundation in commodities and energy logistics, Globexia Energy is more than a supplier, we are a strategic partner focused on long-term value. Every transaction reflects our commitment to performance, every delivery reinforces trust, and every partnership advances a more efficient and sustainable global energy ecosystem.

—
Our team manages the full delivery chain, combining local expertise with international compliance.

“
*Moving energy,
moving the
world.”*

Who We Are

We are a driven team of energy professionals committed to delivering reliable, high-quality energy solutions across global markets. Backed by Globexia's deep expertise in international trade and energy logistics, we combine strong regional insight with world-class standards to ensure consistent, efficient, and compliant supply across products ranging from gasoil and gasoline to crude oil, HFO, VLSFO, LPG, amongst others.

At our core, we believe energy supply goes beyond transactions; it is about building trust, ensuring reliability, and enabling our partners to operate with confidence and scale.

“ *Powering
Progress
Across
Borders.*”

Our Story

Founded in the year 2017, the parent company, Globexia Limited, was built as a global trade organization to help local and international buyers safely and reliably procure petroleum products, agricultural commodities, solid minerals, and industrial materials.

Globexia Energy Limited was subsequently created to drive scalable energy supply across Africa and global markets. Our focus extends across a broad spectrum of energy products, including gasoil, gasoline, crude oil, HFO, VLSFO, LPG, and other critical fuels, ensuring consistent availability backed by strong logistics and disciplined execution.

Our experts have in-depth sector knowledge, and as such, our global trade expertise is built to see your organization succeed.

Whether it is large-scale energy sourcing, refined product supply, or integrated logistics, Globexia delivers with precision, trust, and consistency, enabling your business to operate and grow with confidence.

Our Values

INTEGRITY

We Act With Integrity and Show Respect

- Demonstrate a commitment to integrity and ethics
- Listen to others for a complete understanding
- Assume positive intent

PASSION

We Are Passionate About Our Business

- Show pride in our business and heritage
- Promote a positive, energizing, optimistic and goal-oriented business environment
- Promote and implement creative and innovative trade ideas and solutions

RESULTS

- Help organisation to be their best by providing excellent goods and services
- Work with others as a team to accomplish results and wins
- Have a “can do” (positive) attitude

What We Offer

PETROLEUM SUPPLIES

Project Name:

PETROLEUM SUPPLIES

Experience:
5+ years

Clients:
18+

Supply Locations:
Across Nigeria and available for export

Number of Products:
60+

PRODUCT/SERVICE SUMMARY

We supply a broad range of Petroleum Products ranging from Diesel oil, Low Pour Fuel Oil and over 6,219+ more Products to hundreds of Industries across the World.

Product Name:

DIESEL GASOIL

Order Quantity:

200 MT to 100,000 MT per order

Supply Locations:

Within and outside Nigeria

Payment Terms:

LPO
Letter of Credit
Bank Guarantee
Partial-Payment Deposit

Delivery Type:

Trucking and Marine

PRODUCT DESCRIPTION

Diesel gasoil fuel is a liquid fuel specifically designed for use in diesel engines, whose fuel ignition takes place, without any spark, as a result of compression of the inlet air mixture and then injection of fuel.

Some Types of Diesel We Have for Supply/Export Are:

- 1). NNPC Grade Diesel/AGO (0.85 Density)
- 2). Diesel Gas Oil Ultra – Low Sulphur Diesel 50 ppm
- 3). Low Sulphur Diesel 10 ppm

PRODUCT NAME:

HEAVY FUEL OIL (HFO)

Order Quantity:

200 MT to 100,000 MT per order

Supply Locations:

Within and outside Nigeria

Payment Terms:

LPO, Cheque, Bank Guarantee, Letter of Credit

Delivery Type:

Trucking and Marine

02

PRODUCT DESCRIPTION

Heavy Fuel Oil (HFO), also known as black oil, is one of the products in the fractional distillation of crude oil.

Fuel oil is used to run broilers in many industries especially textile and cement manufacturing industries.

It is also commonly used in vehicles and is a cheaper alternative to vacuum gas or engine oil.

Whether you want to purchase Heavy Fuel Oil and have it shipped to your organization or storage facility around the world, our world class team is built to help supply you HFO on time, every time!

PRODUCT NAME:

VERY LOW SULFUR FUEL OIL (VLSFO)

Order Quantity:

200 MT to 100,000 MT per order

Supply Locations:

Within and outside Nigeria

Payment Terms:

LPO, Cheque, Bank Guarantee, Letter of Credit

Delivery Type:

Trucking and Marine

03

PRODUCT DESCRIPTION

VLSFO (Very Low-Sulfur Fuel Oil) is a type of marine fuel used to power ships while adhering to environmental regulations aimed at reducing sulfur oxide emissions. Here's a brief explanation of each:

Whether you want to purchase Very Low Sulphur Fuel Oil and have it shipped to your organization or storage facility around the world, our world class team is built to help supply you VLSFO on time, every time!

Product Name:

JET FUEL

Order Quantity:

40,000 MT to 100,000 MT per order

Supply Locations:

Within and outside Nigeria

Payment Terms:

LPO
Letter of Credit
Bank Guarantee
Partial-Payment Deposit

Delivery Type:

Trucking and Marine

PRODUCT DESCRIPTION

Jet fuel is a type of aviation fuel specially designed for aircraft usage, powered by gas-turbine engines. It is colourless to straw-coloured in appearance. It is a mixture of a large number of different hydrocarbons. The range of their sizes (molecular weights or carbon numbers) is defined by the requirements for the product, such as the freezing or smoke point.

Some Types of Diesel We Have for Supply/Export Are:

- 1). Jet A-1

**PRODUCT NAME:****PETROLEUM COKE (PET COKE)****Order Quantity:**

200 to 50,000 Metric Tons per order

Supply Locations:

Across Nigeria and available for export

Payment Terms:

LPO

Letter of Credit

Bank Guarantee

Partial-Payment Deposit

Delivery Type:

Trucking and Marine

PRODUCT DESCRIPTION

Petroleum Coke is a material derived from oil refining, it is a solid nonvolatile residue which is obtained as the final still product in the distillation of crude oil and whose purity makes it desirable for metallurgical processes, for carbon electrodes, and as a fuel. Petroleum coke is a valuable and essential commercial product that is **used** directly in a wide range of applications including aluminum manufacturing, fuels, and numerous other products including steel, glass, paint, and fertilizers.

If you want to purchase Pet Coke and have it shipped to your organization or storage facility around the world, our world class team is built to supply you Pet Coke on time, every time.

**PRODUCT NAME:****BITUMEN 60/70****Order Quantity:**

100 to 50,000 metric tons per order

Supply Locations:

Within and Outside Nigeria

Payment Terms:

LPO, Cheque, Bank Guarantee, Letter of Credit

Delivery Type:

Trucking and Marine

06

PRODUCT DESCRIPTION

Bitumen is a sticky, black and highly viscous liquid or semi-solid form of petroleum. It may be found in natural deposits or a refined product, and is classed as a pitch.

Bitumen is mainly used for road construction, where it is used as the glue or binder mixed with aggregate particles to create asphalt concrete. Bitumen is an essential component of any pavement and is used widely throughout the world. It can be termed as the building block of the pavements without which all the pavement materials would behave independently and thus will be deemed useless

Most refined bitumen is used in the construction industry.

Whether you want to purchase Bitumen and have it shipped to your organization or storage facility around the world, our world class team is built to supply you Bitumen on time, every time!

PRODUCT NAME:

NATURAL GAS (LNG/LPG)

Order Quantity:

5,000 to 100,000 tons per order

Supply Locations:

Across Nigeria and available for export

Payment Terms:

LPO, Cheque, Bank Guarantee, Letter of Credit

Delivery Type:

Trucking and Marine

PRODUCT DESCRIPTION

Liquefied Petroleum gas can be also be called liquid petroleum gas (LPG). It is referred to as simply propane or butane, because they are flammable mixtures of hydrocarbon gases used as fuel in heating appliances, cooking equipment, and vehicles.

Whether you want to purchase LNG/LPG and have it shipped to your organization or storage facility around the world, our world class team is built to supply you LNG/LPG on time, every time!

07

08

PRODUCT NAME:

CRUDE OIL

Order Quantity:

100,000 to 2,000,000 barrels per order

Supply Locations:

Outside Nigeria

Payment Terms:

LPO, Cheque, Bank Guarantee, Letter of Credit

Delivery Type:

Marin

PRODUCT DESCRIPTION

Crude oil is a naturally occurring petroleum product composed of hydrocarbon deposits and other organic materials. A type of fossil fuel, crude oil is refined to produce usable products including gasoline, diesel, and various other forms of petrochemicals.

Whether you want to purchase Bitumen and have it shipped to your organization or storage facility around the world, our world class team is built to supply you Bitumen on time, every time!
